From the President City Municipal Council Mysore

No 3-18 dated 23-4-47

states that the Comptroller has raised a number of objections while verifying the Pension papers of one V Bheema Rao Clerk (Retd) and that it is not possible to furnish the particulars called for and suggests that the Comptroller may be authorised to dispense with the verification of service in respect of which the entries in the service register are not properly attested

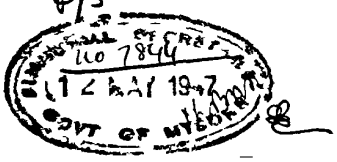
It is seen that V Bheema Rao, Clerk Mysore City Municipal Office retired from service on 6-11-1943 and that his pension has not yet been sanctioned

2) The Financial Dept will be consulted regarding the above suggestion

Rec Legl Asst 7/5/47

3) Hon Secy. for favour of remarks

Hon Secy. w e) Lr to Govt



4) It is not possible to agree to the request that a Verification be dispensed with It may result in two people counting for Service for pension in respect of the same appointment at the same time This is another of those innumerable instances of Service registers being maintained in the most haphazard manner and of account rules being totally disregarded

Rev Secy (RC) 12/5/W)

5) The president Mysore city Municipal Council may be informed accordingly

6) As the ... is stated to have retired in the year [illegible], it would indeed be a great hardship if the person is not dismissed from Service it is necessary to see that he is granted an anticipatory pension at least & the question of verification taken up with the competent Authority by writing with reference to available & other records available in the Municipality

7

8 An anticipatory pension may perhaps be granted and verification taken up afterwards with reference to available records

15) The total service of the official comes to 31 years 4 months and 5 days

16) The Comptroller has sanctioned an authorised pension of Rs 7-5-0- based on the net qualifying service of 11 years, 11 months and 17 days

17 The Comptroller has disallowed the service rendered by the official from 1-7-1912 to 10-3-39 on the ground that the nature of vacancy is not temporary and that there was a break in his service for a period of 11 days

It is seen from the service register that the official was confirmed on Rs 25- in the office of the Deputy Commr, Shimoga Dist in the memo dated 12-3-1919 The annual schedules of Establishment filed in the Comptrollers office should throw some light regarding the temporary vacancy against which he has been confirmed

As he continued to hold a permanent lien in the Shimoga Dist office, from March 1919, during the period of his employment in the Shimoga Dist Board office and Mysore and Bangalore City Municipalities, and as his service from this period is practically continuous, the benefit of the entire period may perhaps be allowed to him

pension case of Mr N Bhima Rao, clerk 9099

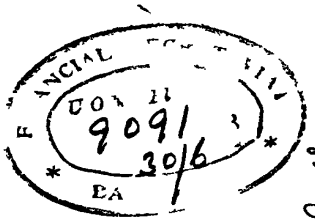
26 If this is done his total qualifying service would be 24 years - 7 months and 24 days.

21 In consideration of his long and satisfactory service of over 31 years and the fact that he resigned his appointment in one Department of the Government just to accept for in another Department of Govt and as the so-called break is only a question of a few days, it is for consideration if the deficiency of 4 months and 6 days required to make up a total qualifying service of 25 years may not be condoned as a special case

22) The Financial Dept has to be consulted in the first instance to whom we should refer

26/6 BSR 26/6

Rev secy) Sir 26/6
72 secy) 23) For favour of
W/C 2) opinion



24) The total service is 31 years 4 months and 5 days
of The qualifying service is 11 years 11 months 17 days
26) For this an anticipatory ~~Govt~~ Pension of D.T.

28/6

Pension case of Sri Bhima Rao, retired clerk
Rs 7-5-0 has already been sanctioned

25) A period of 17 years 8 months and 10 days is not verifiable and there is also a break of 11 days.

26) The whole record shows the grossly careless way in which, in spite of clear rules, Service Registers are maintained by those who have custody of them. This has resulted in the official getting a pension of Rs 7 5-0, as against Rs 20/- that he would have been entitled to 9097

27) Once a year, the official is permitted to see his Service Register so that entries, if omitted, may be made at least then. But when Heads of offices were so ignorant or careless of the rules, the ignorance of the clerk in this respect is excusable

30) On a consideration of all the facts of the case, I have no objection to the proposal in paragraphs 19 to 21 above

31) The proposals (1) to treat the entire service rendered by Sri Bheemarao, retired clerk, Mysore city Mfg — so as to make up a total qualifying service of 11 years 7 months 11 days and (2) to condone a deficiency of 4 months 7 days so as to make up a total qualifying service of 25 years, agreed to by the Fl Secy to Govt may be sanctioned

Refer para 23 supra Rev Secy 5/7/47

32) As agreed to by Min of Fin & Secy the deficiency of 4 months & 6 days may be condoned to make up 25 years qualifying service from March 1919 from which the time bar appeal is seen to have held permanent lien Continuous

I have the honour to state that one U Bheema Rao, Clerk, in grade 25-1-40 retired from service from this Municipality on 6-11-1943 On forwarding the pension roll of this official to the Comptroller to Government, a number of objections were raised as the service register of this official was not complete in several respects Correspondence had to be made to a number of officers in the State as this official had served in several offices in four Districts Added to this, this official had resigned the appointment once and joined service again after some time A number of entries in the service register has not been attested in other offices where he was working prior to his transfer to this Municipality On receipt of the objections from the Comptroller a few of the entries were got attested and a few of others could not be got attested and verified The Comptroller requires the following information

1 Details of service for the following periods to be noted in the service register under proper attestation

b 25-2-24 to 31-3-24
c 1-10-24 to 31-12-25
d 15-1-31 to 10-9-35 showing the pay as it stood after every increment sanctioned

2 The authority under which joining time was granted when he resigned his appointment in the Comptroller's office on 24-7-16 may kindly be intimated

3 The entries in the Service register upto 15-1-31 have not been certified that they have been verified and found correct

Subject:-Regarding the verification of Service Register of Mr U Bheema Rao, Retired Clerk, City Municipality, Mysore

Sir,

In continuation of my previous petition presented to you on 31-10-1945, I beg to bring the following facts once again for your kind consideration and early decision

Regarding the verification of my past services in the Deputy Commissioner's Office, Shimoga, the Deputy Commissioner, Shimoga, has issued an endorsement No M 2 C 891-47/44-45 dated 11-10-1945 (a copy had already been enclosed to my previous petition dated 31-10-1945) stating that the following periods of my services could not be verified for the Non-availability of Barawards, pertaining to these periods Barawards are permanent records of the Deputy Commissioner's Office, and I am not responsible in any way for the Non-verification of my past services, which I have actually rendered They are as noted below:--

DATE	SERVICE	PERIOD Month & Days
i) From 28-10-1918 to 28-2-1919	Services rendered by me in the Marawat Branch of the Deputy Commissioner's Office Shimoga Total	4 - 5
ii) From 1-1-1921 to 30-6-21	Services done in the Economic Branch of the Deputy Commissioner's Office Shimoga Total	5 - 29
iii) From 17-3-1929 to 30-6-29.	Services done in the Special II Class Magistrate's Court, Shimoga Total	3 - 1

	Year	Month	Days
Aggregate Service stated to be not verifiable	1	1	5

1867 Pen N

These periods are not interruption in my service, for I have worked during those periods, which could not be verified for want of Barawards The Clerk, who maintained my Service Register could have correctly made entries then and there For this omission, I may not be allowed to suffer

This verification is going on for the last three years and consequently, I am put to much difficulty for not getting my full pension of Rs. 20/- a month, against which, I am granted only an Anticipatory Pension of Rs. 7-5-0 a month

I learn that my Service Register is again sent to the City Municipality Deputy Commissioner, Tumkur, for verification, and I do not know how long would it take to get it back

In view of the above circumstances, I request you kindly to obtain my Service Register immediately and to settle my pension claims condoning the periods which are said to have been not verifiable, for which act of kindness, I shall be ever grateful to you

I beg to remain,

Subject – Re the settlement of final pension of
Sri Bheema Rao retired clerk mysore city
Municipality, Mysore

16/6

Sir,

In connection with the above subject I beg of you to kindly consider the following facts sympathetically

(1) My final pension is delayed for no more than 3½ years I am put to great difficulty

(2) The Dy Commissioner Shimoga in his endorsement issued to me – No M2 C 8 91-47/44-45 Dt 11-10-1945 states that the aggregate period of my Service to the extent of 1 year 1 month 5 days could not be verified for want of Barawards in his office Barawards are permanent records I may not be allowed to suffer in consequence of that for I have put in 31 years of Service There are no interruptions in my Service All my services have been attested by the Dy Commr Shimoga (vide his endorsement in the record) I am afraid that much time will be taken in re verification and that it will come back in the same unverified condition

Under the circumstances I request you to kindly condone the period and grant me full pension

I beg to remain
